Tim, no one has called me. I do not have the tool serial numbers and MSDS for the chemicals used for all those tools.
John

John,

Last week I gave you a message that I contacted and met with the other person sick with a spiked immune systems and is on heavy drugs. I hope he called you.

I need a favor. I need the MSDS sheets and TOOL Serial Numbers for SNK2700, POL2700, and POL2701. Can you please obtain them for me? I have requested this from AMTS and they are not responding to me.

Please get back to me.

Thank you.
Tim Rizzo
